

PRESS RELEASE

London, 13 March 2018

---

## Vigeo Eiris appoints Arnaud de Batz as Chief Executive Officer

---

***With 25 years' experience of operations and consultancy within financial markets, Arnaud de Batz joins Vigeo Eiris' Executive Committee as Chief Executive Officer from 12 March***

Arnaud de Batz worked as Global Head of Rating Operations in Asset Management at Fitch Ratings, then as Head of Development Strategy at Dexia AM before leading marketing and commercial activities.

A consultant at Bossard and Accenture, de Batz also led transformation projects for asset management companies, particularly in the deployment of new technologies.

At Vigeo Eiris, de Batz is responsible for managing changes to the agency's business model, executing its business plan and improving operational efficiency.

Vigeo Eiris President Nicole Notat stated that: "Arnaud arrives at the right moment. The role of extra-financial ratings is confirmed by both issuers and investors. We are mobilising resources to ensure we are well placed to meet the new opportunities that open up."

Arnaud de Batz adds: "I am delighted to join Nicole Notat and the Vigeo Eiris team, particularly to contribute to the new phase of the agency's development, both at European level and internationally."

## About Vigeo Eiris

Vigeo Eiris is an independent provider of global environmental, social and governance (ESG) research and services for investors, public and private organisations and NGOs. The agency evaluates the level of integration of sustainability factors in the strategy and operations of organisations and undertakes risk assessments to assist investors and companies in decision making.

Vigeo Eiris offers a large range of services:

- **for investors:** including databases, sector analyses, ratings, benchmarks and portfolio screening, serving all ethical and responsible investment approaches.
- **for issuers:** of all sizes and from all sectors, both listed and non-listed, including services to integrate and evaluate ESG factors into managerial functions and strategic and financial operations.

Vigeo Eiris methodologies and rating services adhere to the strictest quality standards. Vigeo Eiris is CBI (Climate Bond Initiative) Verifier.

Vigeo Eiris is represented in Paris, London, Boston, Brussels, Casablanca, Hong Kong, Milan, Montreal, Rabat, Santiago and Stockholm. The team is composed of more than 200 experts of 28 nationalities with diversified and complementary skills.

Vigeo Eiris has developed the 'Vigeo Eiris Global Network' made of 7 research providers (Australia, Brazil, Germany, Israel, Japan, Spain and Mexico).
