## Vigeo Eiris received the ISO 9001 certification

---

**Vigeo Eiris received the ISO 9001 (2015 version) certification for its quality management system following an external audit that took place in January 2019 covering the company's offices and its key processes related to the rating of the sustainability risks and ESG performance of organisations.**

The following processes are certified in compliance with the requirements of the international standard ISO 9001:2015:

- the internal development of the agency's methodology,
- the collection, qualification and rating of ESG and specialised data,
- the sales and delivery systems for ESG and specialised data,
- the production, sale and delivery of products and services derived from ESG and specialised data.

[The certificate](#) covers all Vigeo Eiris sites: Brussels, Casablanca, London, Milan, Paris, Rabat and Santiago. The evaluation was conducted by AFNOR Certification and resulted in a certificate valid until 28 January 2022.
